Washington DC 20006

Re: Approval Authorization Letter  
Case File Number 423

To: Relationship Manager:

The Approval Authority officially approves the following Product/Service. Please add it to the GSA Approved Products List.

### Product/Service Information

Organization Name:	National Laminating Inc.
Name of Product or Service:	Non-metallic Dual RF Blocking Badge Holder
Part Number:	RFSshield01
Hardware Version:	1.0
Software Version:	N/A
Firmware Version:	N/A

### Restrictions:

This badge holder must be used with a PIV card in both the front and rear slots, or the rear slot must have the supplied filler card in place to ensure correct operation.

Sincerely,

*Chi Hickey*
